PROFESSIONAL EXPERIENCE

Web Developer — Your Digital Resource , Florida, US	2024 – 2026
- Lead design, development, and implementation of client communication materials across web and digital channels. - Build n8n automations connecting Webflow CMS to GPT assistants and bot workflows for faster content operations. - Integrate AI solutions through no-code tools: Webflow, n8n, and custom bot assistants for client workflows. - Use Cursor, Claude Code, and AI-native dev workflows to accelerate delivery without sacrificing quality.	
Software Engineer — Nिकासource , Florida, US	2022 – 2024
- Delivered web development solutions using React, Vue, and WordPress for diverse client requirements. - Contributed to frontend architecture, reusable component design, and performance optimization. - Maintained code quality and best practices across multiple concurrent international projects.	
SEO Specialist — Top Floor Marketing , Managua, Nicaragua	2020 – 2022
- Built custom WordPress websites tailored to client needs and SEO goals. - Optimized loading times, Core Web Vitals, and on-page SEO for improved rankings.	
Project Manager and Tech Lead — AIM Services , Managua, Nicaragua	2019 – 2020
Built custom web applications tailored to clients' needs using Ionic.	

- Served as Tech Lead for all company projects, guiding architecture and delivery.

Web Developer — Target Ogilvy, Managua, Nicaragua

2017 – 2019

- Built websites from scratch or using WordPress templates for agency clients.
- Developed real-time PHP systems for special events and live campaigns.

SELECTED PROJECTS

AIDA — Production SaaS for dental clinics (patients, odontograms, appointments, records, payments). Next.js, Tailwind, Insforge, PostgreSQL; Vercel + self-managed Proxmox.

AI Workflow Automations — n8n pipelines connecting Webflow CMS to GPT assistants and bot workflows, streamlining client content operations.

AI-Ready Resume Site — Portfolio optimized for AI/ATS parsing with JSON-LD, resume.json, and llms.txt (github.com/Oamazon/resume).

BYD El Salvador — WordPress site built from scratch with Elementor for automotive brand (bydelsalvador.com).

Sucuri Blog — High-traffic cybersecurity blog with performance and reliability optimization (blog.sucuri.net).

EDUCATION

Computer Engineering — National Engineering University, Nicaragua

2010 – 2015

Continuous Learning — Udemy, Platzi: web development, AI & automation

2015 – Present
